

## Early Bird Registration Program for The 24 Hours of Vail Lake, April 26 & 27, 2008

Teams wishing to take advantage of the Early Bird Registration Program must apply by April 8, 2008. The 24 Hours of Vail Lake has a field limit of 300 teams. Register through the American Lung Association of the Inland Counties and race for free, while raising money for a very worthy cause.

Amateur teams raise \$400 per team member—a total of \$1,600 per 4-Person team or \$2,000 per 5-Person team. Coed Pro/Am teams raise \$600 per team member—a total of \$2,400. Duo Pro/Expert teams raise \$750 per team member—a total of \$1,500 and Solo racers raise \$800. Minimum fund-raising money is due by April 14, 2008.

There are two ways to raise the tax-deductible contributions:

- ◆ Corporations who donate fund-raising money and receive recognition as your sponsor.
- ◆ Racers who collect donations from family, friends, businesses, civic organizations and churches, etc.

This is an great opportunity for your team to earn free entry into The 24 Hours of Temecula and also contribute to the ALA programs. If your team would like to take advantage of the Early Bird Registration Program, simply fill out the attached application and return it to the ALAIC with your **non-refundable** \$25 application fee. The ALAIC will mail each team captain a Team Fund-Raising Packet containing everything your team needs to make fund-raising simple and fun. Granny Gear will create your team page on-line.
